Subject: Site-Specific HASP and Draft Radiological Survey Work Plan - Niagara Falls Boulevard Radiological Site
[150717 Draft Radiological Survey Work Plan Niagara Falls Boulevard Radiological Site.pdf](#)
[150717 Site-Specific HASP Niagara Falls Boulevard .pdf](#)

Eric,

Please find attached the electronic versions of the Site-Specific Health and Safety Plan and the Draft Radiological Survey Work Plan for activities to be conducted at the Niagara Falls Boulevard Radiological Site (TDD No. 0006-0061) located in Niagara Falls, NY, beginning on July 20, 2015. If you require hard copies, please let me know. The work plan is very heavy on the RAD7 information because that is what we had a lot of information to go off of from Wolff Alport. I am sure there will be a lot to add in regards to the other equipment which we can begin to determine when we arrive and begin work. Please let Ben or me know about any changes or questions you have to either document.

Joel Petty
